Printmarket

Trade journal for screen, pad and digital printing

Format

210x297 mm

Published

4 times a year

printmarket reports in a practical and competent manner about all important topics for screen, pad and digital printing. The magazine presents well-prepared specialist information, new approaches and solutions, explains new business models, names trends and describes visionary approaches - combined by specialist knowledge with a broad overview. **printmarket** is designed to meet the information needs of manufacturers, distributors, suppliers and users.

The issues of **printmarket** will be sent to over 5.200 selected addresses on the topics of screen printing, pad printing, textile printing, digital printing, large-format printing and advertising technology. It is aimed at manufacturers, distributors, suppliers and users of software, paper, films, inks, coatings, auxiliaries, machines and accessories. **printmarket** provides practical support and places companies in an industry-specific market environment.
